But for the most part, these stories have been shared orally - told and retold over hundreds of years, generation after generation.

On this tour you will hear stories of the earliest settlers, to the earliest beach goers. Learn about Ocean Forest hotel, the Cabana's on the beach, a man name Posset and much more. Few other areas in America contain more history or charm than Georgetown, South Carolina. From its earliest beginnings as the probable site of the first European settlement in North America in 1526, to its present status as a vibrant and gracious city of 9,000, Georgetown has long been known for its warm hospitality and Southern charm. The third oldest city in South Carolina, following Charleston and Beaufort, Georgetown was founded in 1729 and became an official port of entry in 1732.

The Market Common opened in 2008 and is part of the Myrtle Beach International Airport complex that

became civilian after the closure of the Air Force Base that was shared with the airport. The complex has a 'town like' atmosphere, the center has townhomes, small stores, and restaurants.

Broadway at the Beach, South Carolina's favorite Travel Destination and the largest entertainment venue of its kind in the state features unique specialty shops, exceptional dining, award-winning attractions, fabulous nightlife, and relaxing accommodations, all surrounding the magnificent Lake Broadway.
