- ★ Take a river bus along the River Thames to Greenwich.

Day 1: Overnight Flight

Get ready for a trip to one of the world's trendiest cities, full of history, charm, and regal flair.

Day 2: London, England - Tour Begins

Welcome to London, a metropolis that is both timeless and sophisticated. Beautiful gardens line bustling city streets. Museums, monuments, and grand theaters tell a rich story that you'll uncover on your journey. This evening, take a short walk with your new

travel companions to a restaurant, enjoying the vibe of the city, and kick off your tour with a welcome dinner. *Today dinner will be included.*

Day 3: London

Hop on and off – all over "London Town". Your retro double-decker bus cruises past St Paul's Cathedral, the buildings of Westminster and more. A local expert adds meaning to the famous scenery, which includes Buckingham Palace, Big Ben, and Parliament. Visit Westminster Abbey, the towering Gothic church that has been home to royal coronations and weddings. This afternoon, enjoy free time to explore London at your leisure. *Today breakfast will be included.*

Day 4: London

Visit the Tower of London this morning, the iconic World Heritage Site that is steeped in a dark, fascinating history. Personalize your afternoon because it's your choice! Perhaps you'll choose to attend a matinee performance at one of London's many theatres - **OR**- maybe afternoon tea at Covent Garden is more your style. Either choice makes for a fabulous (and very British) afternoon. *Today breakfast will be included.*

Day 5: London

Today, you do you, London-style. A free day means independent exploration of London's treasures. Or perhaps join an optional excursion to Windsor Castle, the home of kings and queens for nine centuries and the oldest royal residence still in use today. *Today breakfast will be included.*

Day 6: London - Greenwich - London

Take a river bus along the River Thames en route to Greenwich to change up the view; the Tower looks entirely different from here. On arrival, explore Greenwich Market. Local stalls, specialty treats, and charming venues are perfect spots for lunch and shopping. Join a local guide for a walking culinary tour of Greenwich's charming neighborhoods. Test your seafaring prowess onboard the *Cutty Sark*, a Victorian-style ship that served as a tea clipper. Tonight, join your new friends at a favorite London pub for a farewell dinner and toast the end of a wonderful getaway. *Today breakfast, lunch and dinner will be included.*

Day 7: London - Tour Ends

It's time to go home... with new friends, countless memories, and souvenirs from your London adventure. *Today breakfast will be included.*

Experience It! _____ Tower of London

First built in the 11th century, the Tower of London has been a staple of London history and is a must-see for visitors. The fortress is located along the River Thames – a intimidating fixture looming over the city beside it. Over the course of its storied past, the Tower has changed ownership and roles multiple times; it has been a prison, treasury, army, museum and more. Today, it houses the crowned jewels and thousands of eager visitors. Your guide recounts the legends and facts, walking you in the footsteps of past prisoners and esteemed royals.

This tour uses public transportation. On the London Underground, select stations do not have handicapped accessible facilities and passengers will need to use stairs.

City located hotels often have smaller size rooms and air conditioning is not always available.

IDENTIFICATION

Passports are required for this tour at your expense. Certain countries require that your passport be valid at least 6 months beyond the dates of your travel. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that travelers take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.
